

Science Overview

Primary	Autumn 1		Autumn 2		Spring 1		Spring 2		Summer 1		Summer 2	
Year 1	Animals including Humans		Seasonal Changes	Plants	Everyday materials	Seasonal Changes	Everyday materials	Plants	Seasonal Changes	Animals including Humans		
	 How do we sense the world around us?	 What is it like in the different seasons?	 What are things made from?	 What are things made from?	 Plants: What are they?	 Are all animals the same?						
Year 2	Living Things and their Habitats		Uses of Everyday materials		Uses of Everyday materials		Animals including Humans		Plants		Living Things and their Habitats	
	 What is alive?	 How do we choose materials?	 Can we change materials? Part 1	 What do living things need to survive?	 Plants: What do they need?	 Who lives there?						
Year 3	Forces		Magnets		Rocks		Animals including humans		Plants		Light	
	 How do things move? Part 1	 What can magnets do?	 Are all rocks the same?	 How do living things work?	 Plants: How do they reproduce?	 What is the dark?						
Year 4	States of matter		States of matter		Sound		Electricity		Living things and their habitats		Animals including humans	
	 How do particles behave?	 Is water always wet?	 How do we hear different sounds?	 Can we control electricity?	 Living things – What’s the same and what’s different? Part 1 Are living things in danger?		 What do our bodies do with the food we eat?					
Year 5	Forces		Earth & Space		Properties and changes of materials		Properties and changes of materials		Living things and their habitats		Animals including humans	
	 How do things move? Part 2	 Sun, Earth and Moon: What is moving?	 What are things made from and why?	 Can we change materials? Part 2	 Do all life cycles look the same?		 How do our bodies change as we get older?					
Year 6	Electricity		Light		Evolution and inheritance				Living things and their habitats		Animals including humans	
	 Can we vary the effects of electricity?	 How do we see?	 How do living things change over time?		 Living things – What’s the same and what’s different? Part 2		 How do our choices affect how our bodies work?
