### **Nursery Hill Newsletter**

Dear Parents/Carers,

The second week of term has been just as successful as the first, the children are continuing with their fantastic learning, following the school rules and keeping themselves and others safe by adhering to Covid-19 regulations.

#### **Roald Dahl Day**

Officially Roald Dahl day was Monday, we celebrated today and together you raised £48 which will be used towards buying books. Thank you for all of your donations. The children looked fantastic dressed as their favourite character. Our assembly focused on Roald Dahl's work, it has been wonderful to see the children so enthusiastic about reading and sharing their thoughts about their favourite characters. Thank you to all that supported their child/ren with joining in the day. Please continue to encourage your child's learning by sharing stories, you can learn more about Roald Dahl at <https://www.roalddahl.com>

#### **Monday 20<sup>th</sup> September – Yoga Day**

The children will be taking part in a yoga session, please send your child to school in their PE kit. With focus on Mental Health and well-being this is a fantastic way to reduce the effects of stress and anxiety. Why not use free online tutorials to practice at home.

There are a range of free yoga tutorials online such as CBeebies and BBC bitesize (please check suitability before showing your child) that you may find useful, a great activity for all that can be done in or outdoors.

#### **Data Collection Sheets**

All children were sent home with a data collection sheet last week. If there are any outstanding please return it on Monday. This information is very important, ensuring we have correct contact details and medical information. Should any details change prior to the next data collection sheet being sent out please contact the office as soon as possible. If you have not received your child's sheet please call the office and a new one will be produced.

## COVID-19

Please note new regulations state if your child has any symptoms (no matter how mild) they are required to take a PCR test. There are walk in centres where tests can be taken without appointment. A negative test result is required before returning to school.

In school we are continuing to keep a two-meter distance where possible, masks are worn by staff. Children are encouraged to wash their hands regularly and have staggered lunch times.

Please continue to use the golden line system before and after school, parents/carers should not cross the line. Continue to call to book appointments, should you bring your child into school late please do not enter the reception area if there is anyone already in the foyer. Thank you for encouraging your children to line up with their class, I am pleased to say every child managed this. Keep it up, you're all doing great!
